### ICT@Seniors: 1st LTT Activity in Gdansk-Poland

The first LTT was held in Poland between 25-29 March.

It was organized by Pro Med and 2 participants from each partner organization attended the training. The host organization organized a 3-day event and the event included presentation of organization and its work in regards to seniors in general and seniors and ICT in particular, there were meetings with seniors to listen their views on ICT and social inclusion. The host partner shared good practises and methods in teaching ICT to seniors. The partners had a chance to discuss best practices to be included in the project and the materials that will be developed.
